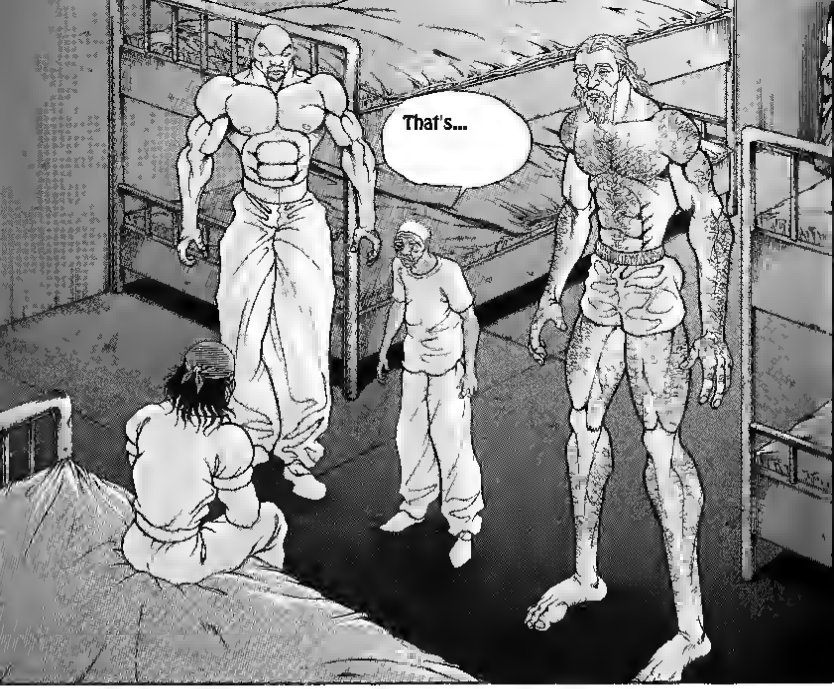
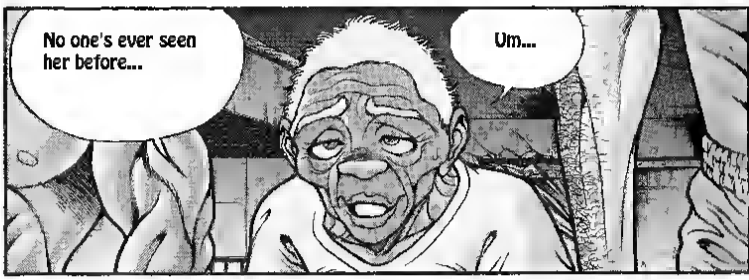
Huh?
Living together?
Yes.
Mr. Oliver lives with his lover in this prison.
Well—
what a comfortable and free life he has.
DeJamain

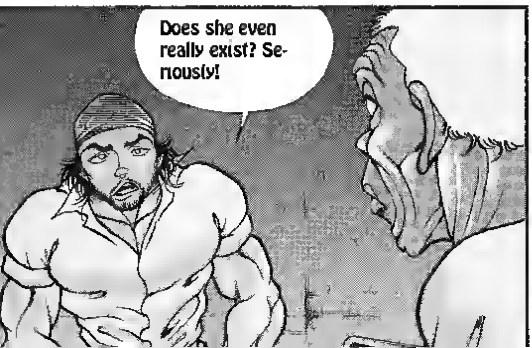
What's more, it may be a woman!
Where is the atonement? Where is the reflection!?
What kind of living arrangement is that?
So what kind of woman is she?
Those words aren't really related to that person.
Reflection..... Atonement.....



That's...



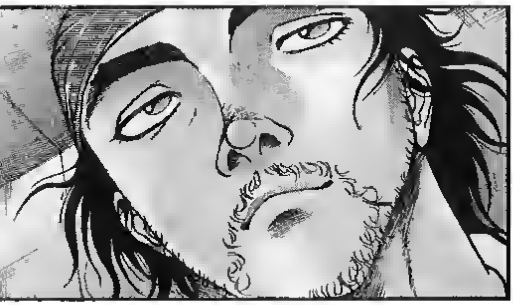
No one's ever seen her before...
Um...

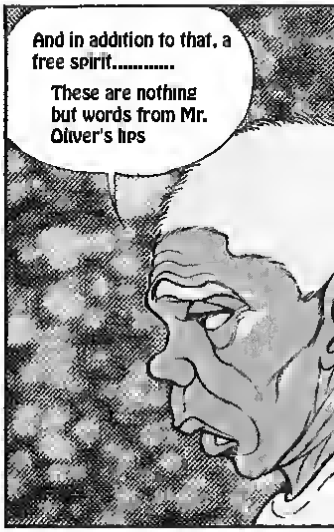


Does she even really exist? Seriously!

However,
It's just a story from
Mr. Oliver's own lips...
That's been talked
about for many
years now.

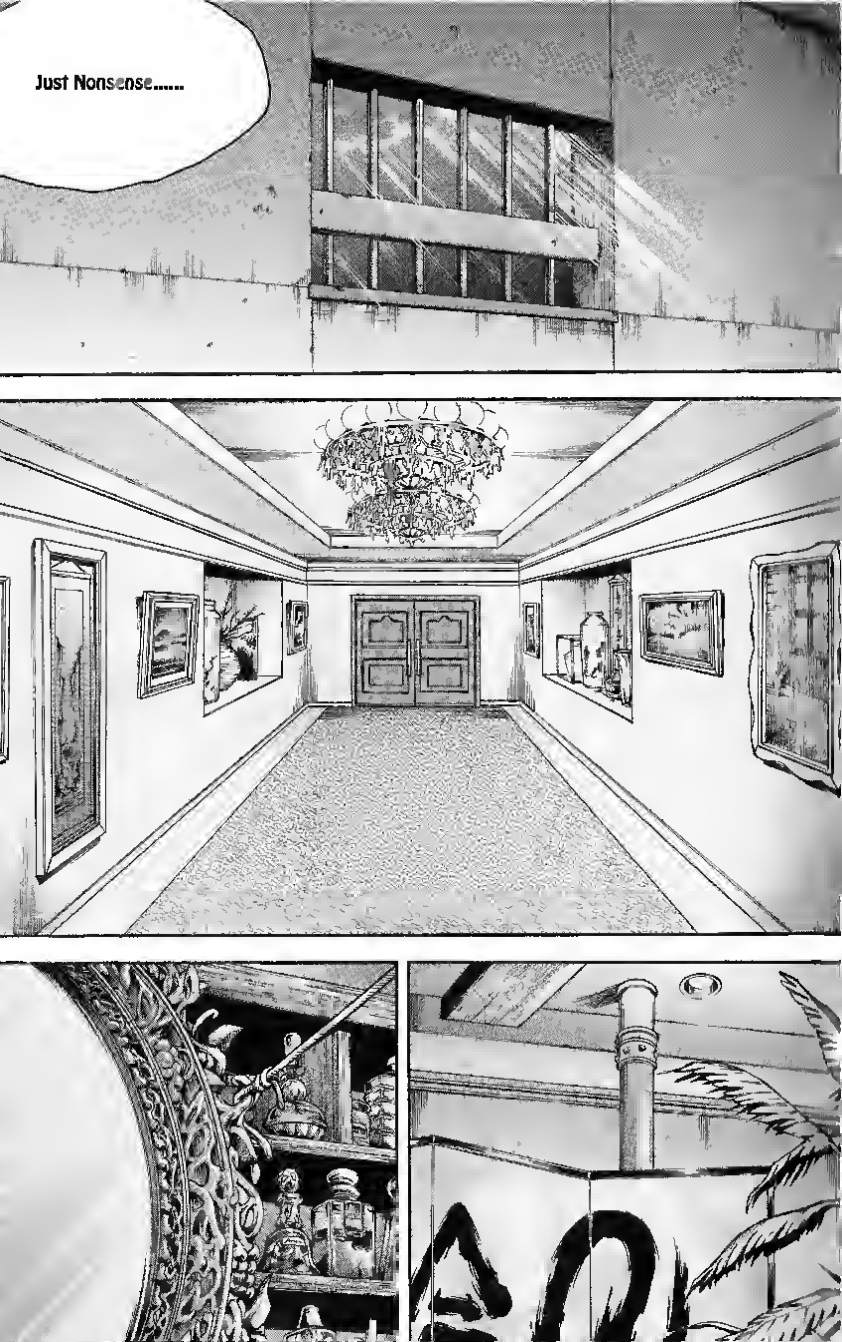
Judging by the way he
fell in love.....
She must be of unequaled
beauty .....



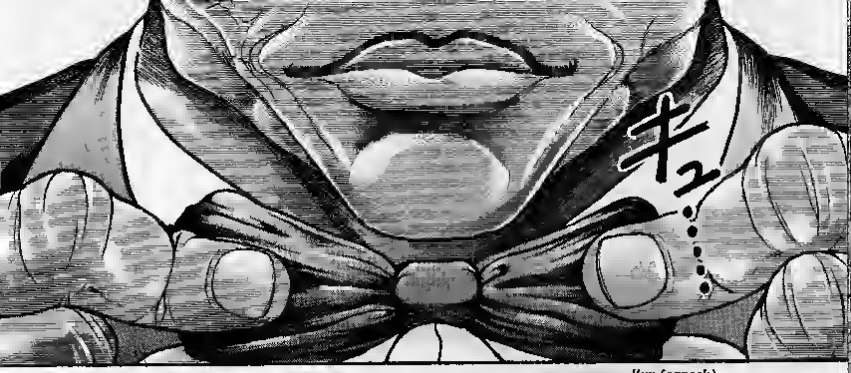


And in addition to that, a
free spirit.....
These are nothing
but words from Mr.
Oliver's lips

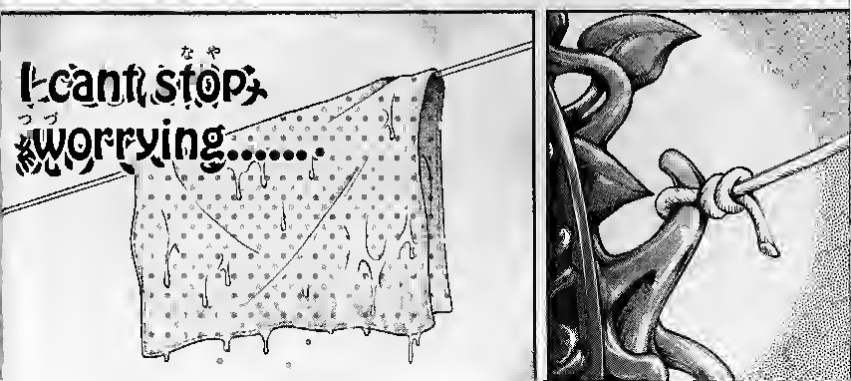
Heh

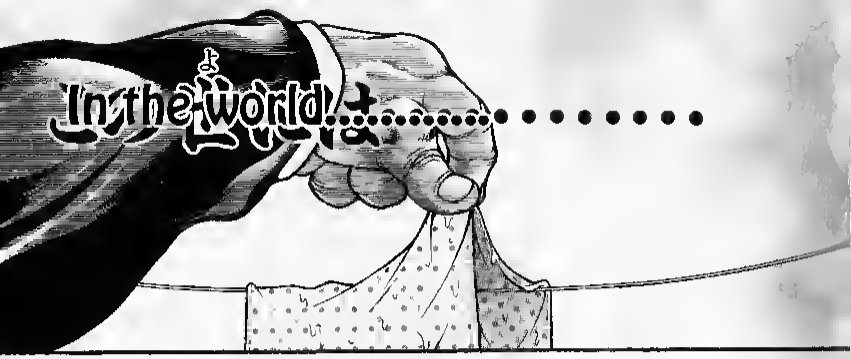


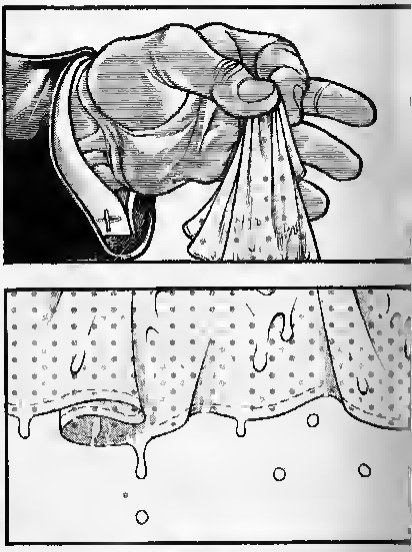
Just Nonsense.....



Kyu (squeak).....







あまりにも少なすぎる
Far too few

「Beyond the phrase "to love"」という言葉以上の
There doesn't exist an expression of love 表現が存在しない

However…ツツ

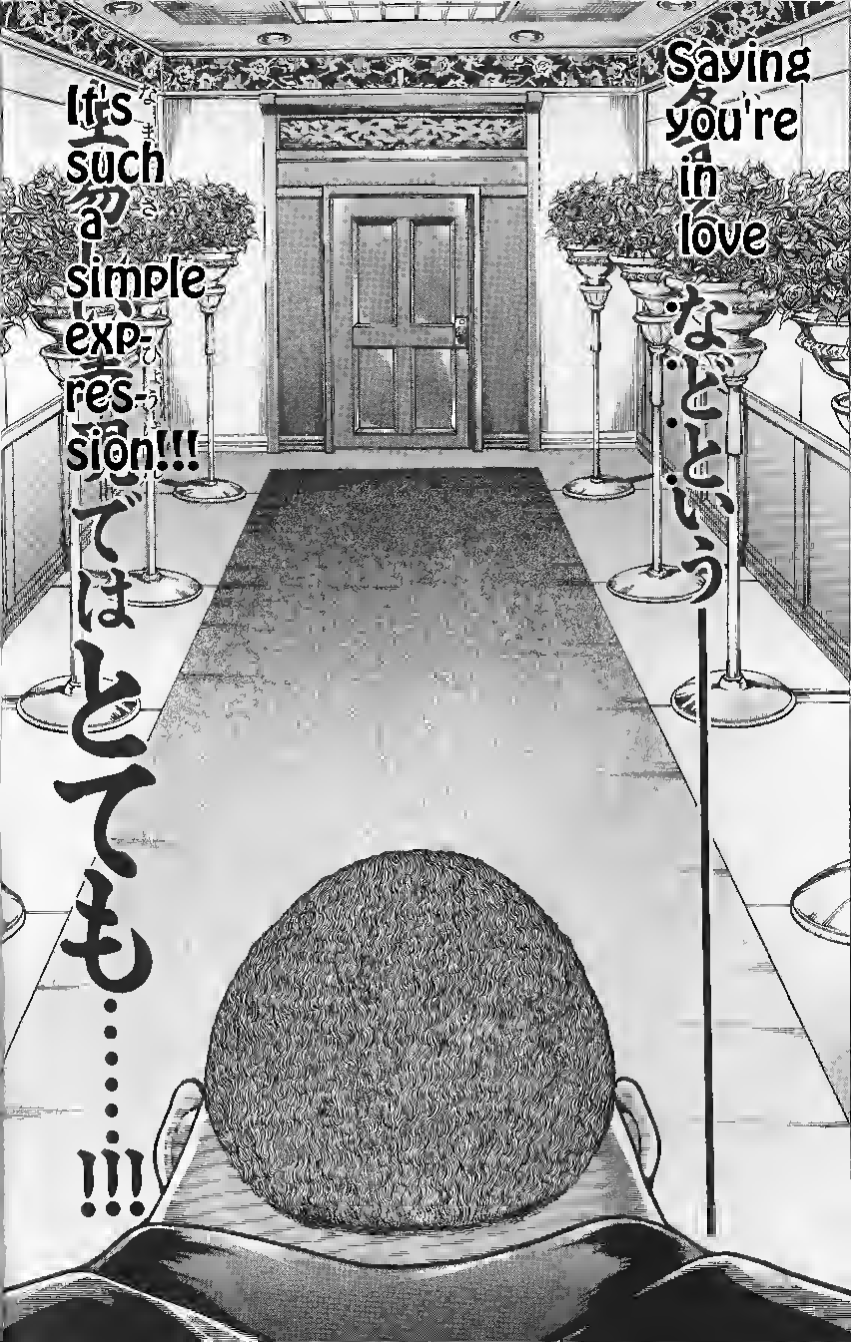
What kind of expression could possibly suffice!!!



Saying you're in love

Are we in good humor, Honey?
Fukuaaa.....(breeze)

In prison you'd really want to express your freedom.
I'm afraid he invented this non-existent lover.
The lover was invented in order to solidify that free spirit image.
We halfway realized that but.....
An honest point.....

He could strangle all 4000 of us to death.....
The day that rumor sinks.....
I'd like to see that.....
Gasa(rustling/searching)
When the sun rises the second time...

He only degrades prisoners.
He is just an incompetent prisoner
He doesn't have any lovers or any ability.
Hold on to this

IS MAINTAINED THROUGH THE IRREPLACEABLE DETERMINATION OF PROTECTING YOUR "HONOR"
ルーIT SERVES AS A LOGICAL RULE.

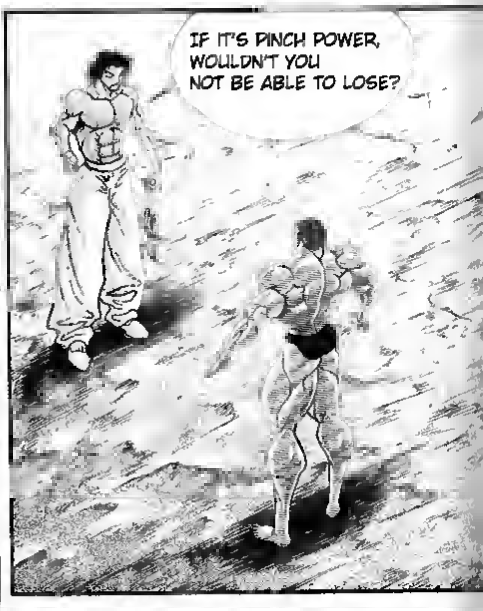
FINALLY ARRIVING AT ONLY THE THUMB.

YOUR FINGERS MUST BE VERY VERY STRONG, GEBARU.

IF YOU'VE GOT COLD FEET, WE WE CAN CHANGE THE RULE ..

I SEE THAT YOUR SELF-CONFIDENCE IN THAT STRENGTH MADE YOU CHOOSE THIS RULE, CORRECT?



IF IT'S PINCH POWER, WOULDN'T YOU NOT BE ABLE TO LOSE?

EVEN MY ISLAND HAS HEARD TALES OF YOU.
